Message from the Event Chairs

On behalf of the Officers & Board of Advisers and members of the Cagayan Valley Association of Hawaii, I welcome you to the 2007 Inaugural Banquet. As General Chair of tonight's event, it is with great honor & privilege to present to you a most well crafted and prestigious event.

The theme this year is "Celebrating Cagayan Valley and Its People", which will commend the glorious history of the provinces by the great Cagayan River, and extol the character of the people who call Cagayan Valley their home. This tribute comes during the re-dedication of our organization to the missions set forth by our founders. It also celebrates the renewal of our commitment to the visions that will uphold the welfare of Cagayanos in Hawaii and Hawaii's Filipinos as a whole.

I would like to take this opportunity to express my deepest gratitude & appreciation to our president Mr. Don Alvarez and the entire membership of CVAH for entrusting me the chairmanship of tonight's milestone; to my co-chairs Erlinda Clamor, Dolly Ortal, Linda Puzon and Joe Lim, and the steering committee members for their unwavering support making my job easier; and to our event consultant Leo Rojas Gozar for lending his talent & expertise. Lastly to our donors, advertisers and to all of you, thank you for sharing this evening of culture and fellowship with us.

Sit back, relax and enjoy the evening…

Maraming Salamat Po & Dios Ti Agngina
